

Thank you for your interest in supporting Volunteers in Medicine. Through your contribution you are helping Volunteers in Medicine bring quality health care services to the uninsured, and provide medical professionals with the opportunity to do what they went into medicine to do – take care of patients.

The Volunteers in Medicine national office provides assistance and resources to communities interested in developing a free health care clinic for the uninsured in their area.

Please make your check payable to Volunteers in Medicine and mail to:

Volunteers in Medicine
162 St. Paul Street
Burlington, VT 05401
