

Susan Smith was named Chief Financial Officer of the national office of Volunteers in Medicine in July 2019. Susan graduated from the University of South Carolina - Moore School of Business with a degree in Accounting and has over 20 years of experience working with public and nonprofit organizations.

She obtained her Certified Public Accountant license and began her career at the SC Comptroller General's Office where she was part of the team that prepared the State's Comprehensive Annual Financial Report. Susan then went to work for the University of South Carolina Foundations Office in 2001 where she served for many years as the Chief Operating Officer. She has also worked with many religious and civic organizations to implement and maintain accounting solutions.

Susan holds the Certified Information Technology Professional (CITP) designation and has presented at national nonprofit conferences on various topics pertaining to information systems.
